Freedom

Welcome New Members:

Greg Arnold, Charles Earney, Thomas Eaton, Charles Ferguson, Ryan Foster, William Howe, Ryan Hunsinger, Douglas Mullen, Charles Puckett, Andrew Schulze, Derek Somogy, David Wallace, Drew Warden

We welcome you to our organization, and hope you enjoy your activities at our facility.

Work Hour Opportunities/Work Parties:

Outdoor Work Party:

The next work party will be on July 12, 2014 at 8:00 AM. We will be cleaning up trash and fallen tree limbs on all ranges. Bring rakes, shovels, and chain saws. We will need screw guns, saws, and hammers to make target frames.

All ranges are closed to shooting until after the work party is complete (about 1:00 PM) except for scheduled events.

Contact Steve Schneckenburger at 309-692-7807 or 657-0170 for more information.

Indoor Work Party:

A special indoor work party is scheduled for Saturday July 12 at 8:00 AM.

Bob Bjerke reports we need strong backs (and not necessarily weak minds) to finish the replacement of the sand and bullet impact area of the indoor range. Bring wheel barrows, long handle shovels, and your work gloves. The more volunteers, the quicker this project will be finished and the range back in operation. For more info call Bob at 309-692-1800.

1911 Pistol Match

There will be a 1911 pistol match on Saturday July 26 on range #1. The starting time is 9:00AM. This a simple 50 round course of fire. In the event of bad weather, we will use the indoor pistol range.

There are two classes: military class and modified class (anything other than military). No optical sights, extended mags, and/or target style grips allowed. The range officials shall determine any eligibility issues. You must have a belt holster (no cross-draw or shoulder rigs) and at least a couple of magazines. The military class caliber is .45 ACP only. The modified class can be any center fire caliber.

Course fee is only \$3 and you may shoot as much as you want in one or both classes. Prizes will be awarded for both classes.

Contact Kevin Hutchison (657-1518) with any questions.

Planning Team Update:

You may have noticed the construction on the range house between range 1 and 2. This building is used by many groups at the club, and will be well utilized. Next on the priority list are upgrades to the club roads, and a major rework of range 7.
