**Your leaders are Anne, Kathy and Michele:** The Greater Peoria Area Chapter of the Well-Armed Woman meets on the 4th Friday of each month. Membership is open to any woman over age 21 who is legally able to own a firearm. We are women teaching women.

Meetings are from 6:00 pm to 8:00 pm at the main clubhouse. You can attend one meeting before deciding to join. Each meeting usually consists of a one hour program on a gun related topic and one hour of range time. You must be a member to shoot. You are welcome to watch. We usually have eye and ear protection for you to wear.

We help new shooters to learn the basics and try to get them involved with shooting sports of some sort. We do provide firearms for first time shooters. There is a \$5.00 range fee plus the cost of ammunition. You will need to take a gun safety course if you are a new shooter. It's pretty fun. We stress safety at all times. We have NRA certified instructors and RSO's.

This month it will be on the 22nd of April. We really look forward to meeting you. It's really a fun and informative time.

## Intro To High Power Rifle Match Shooting:

What do I need to start shooting high power rifle competition at CSC?

- Hearing and Eye protection along with money for ammo and match fees. THAT'S IT!!!
- This runs \$36 to \$41 for a 60 round draw of 223 with the match fee.
- CSC has National Match AR-15's and Service Grade M1 Garands available for borrowing at the match
- 223, 30-06, and 308 available for very competitive prices at the matches.

When are the matches and what do the other competitors bring for equipment?

- The matches are usually held on the 3<sup>rd</sup> Saturday of the month with the first relay starting at 8:30 AM March through October. First Match in 2016 is March 19 at 1:00. Watch the CSC Calendar.
- What other equipment (besides hearing and eye protection) do others bring?
  - Spotting Scope
  - Shooting mat – club has these available
  - Stapler
  - Shooting jacket – really all you need is something to protect your elbows in the prone position. A sweatshirt works fine.
  - Your own rifle and ammo. The usual guns are AR-15, M1 Garand, or M1A.
  - Rifle Sling
