## Sight Picture March 2017

### **Don't Drive On Range 7**

We recently had a vehicle stuck while trying to drive on range 7. It is really muddy, so be careful. The board of directors has voted to have the berms seeded so hopefully we will have vegetation soon.

## And Finally:

### Inappropriate shooting:

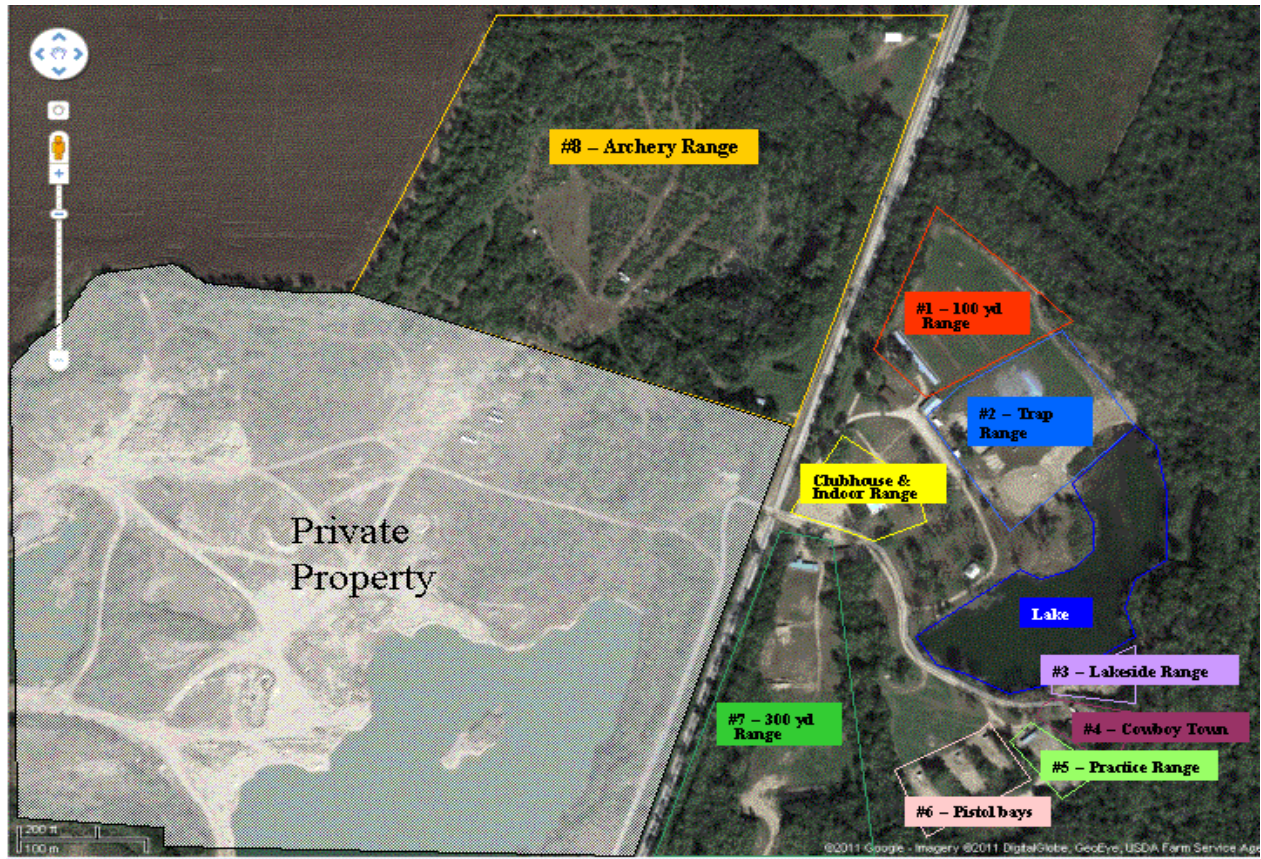

Here is a photo of targets placed on top of the berm resulting in shooting to ground on range 1. This is unacceptable because the bullets will ricochet off the ground and leave the club! Those that do this will be dealt with accordingly.
