NOTICES & INFORMATION

WOULD YOU LIKE TO LEARN HOW TO SHOOT YOUR SHOTGUN, RIFLE, OR HANDGUN BETTER????

Practice makes you a better shooter and regular time at the range is the best way to achieve this. Why not join one of our numerous leagues or activities at our club? This helps schedule regular time at the range and challenges you to try something new. Remember all our events and leagues are open to the public. So bring a friend even if they are not a member.

Why don't people join? Some feel intimidated because they are not as skilled as the people there. The leaders and competitors are always willing to help out a new person.

I do not have the equipment. Bring what you have and usually someone is willing to lend you what you need until you are able to get your own
