Happy Labor Day!

We encourage you to enjoy this extended weekend at our Club.

We focus very heavily on safety at our Club. For a full listing of all our rules, please find them on our website.

Club Rules: Just a reminder that the first Club Rule is to **Lock the gate** when entering and leaving the grounds. Exceptions are scheduled events in progress. Never leave lock hanging from an open gate!

Storm Damage: The July storms left our Club with considerable damage. We didn't have power for the well so there was no water for indoor plumbing. Two of the three porta-potties were blown over by winds so restroom availability was very limited. Fast forward to now, our Club is back to working order and fully operational. A special thanks to everyone that came out to help. Now everyone can come out to enjoy our facilities again.

Cowboy Town: Sometime in early August, someone hit and broke the Southeast post of cowboy town without reporting the damage. Please be respectful of our facility and if you damage something report it to a Club officer. Several years ago, someone hit the Northeast post, reported the damage, and replaced it. This is the type of behavior that is expected.

Club Board Elections: All board officers and 2023 - 2024 board member positions are up for election at the November board meeting. If any Club member is interested in a role on the board please contact: Kevin Bauswell (309) 678-2438, Kevin Wunder (309) 246-5505, or Jason Forck (309) 265-6074.

High School Trap: The IVC school board made a motion to give their trap team permanent status. This means an annual vote isn't needed to allow the team to continue. This motion carried unanimously 4 to 0. Currently, registration for high school trap is underway.

Trap League: The 2024 Trap League banquet will be held on August 28 with Castaways catering the event.

Planning Committee: The vision for the Long-Range Planning Committee is "To be the premiere private shooting club in Central Illinois". The significant unprioritized projects under consideration are as follows: design and build

range 7 (100 yard multiple use) North of current range 8, electronic security and surveillance system for Club grounds and buildings, remodel club house restrooms, recorded telephone message to members capability, heated indoor year round restroom facility. The questions asked for determining project need and priority are as follows: safety related, percentage of our members it will benefit, total cost, completion time frame, conducive to attract new members, and will it improve our ability to serve other users and the community (e.g., law enforcement. This committee is looking for new members. If you are interested in being a member of this very important committee that will help determine the future of our Club, please contact Jim Martin at (309) 397-1777.

Trailer: As you know, the Club was in need of a trailer. We now have one and would like to thank all of the volunteers who made this possible! This was done for only \$79 and hours of "sweat equity" to refurbish the old archery trailer.

Gun Shows: This year there are two additional gun shows remaining. One is on September 28/29 and the other on December 7/8. Volunteers are needed, with work hours awarded, for various positions (security, front door, kitchen, etc.).

2024 Work Hours: It's hard to believe, but we are over half way through this year. If you still need work hours, we have indoor and outdoor projects that will allow you to earn work hour credits.

Available Items: The trap house has two working printers, one is a Brother Professional Series MFC-6490CW printer/scanner (comes with an extra ink cartridge), the other is a HP LaserJet M234sdwe printer/scanner. They also have a Stack-On gun safe with padlock and key. These items are available to any CSC groups. Please let Jenn Earleywine know if you are interested by calling her on (309) 224-9226 or let her know in person when she is in the trap office on Wednesday nights. If no one is interested she will look at donating the printers to Goodwill and possibly recycling the safe.

TU/TH Pistol Practice: Dennis Rainville has resigned as director. We want to recognize him for all his service to make this practice possible. With his resignation, the Tuesday/Thursday 1 PM pistol practice has been suspended until a volunteer step up to help run the practices. The Dennis will be able to provide training to the new director(s). Please contact Dennis Rainville by email at: bullseyeshooter5@aol.com or phone at: (815) 488-0442. Thanks in advance!

NEWLETTER ARTICLES: If anyone has anything they would like to share in the newsletter, please contact Bruce Hayashi at bruceh@chillisportsmen.org
